Fathers Monthly Plan Sheet

Scripture calls for fathers to humbly serve as the “head” of there families (1 Corinthians 11:3) and the accept the responsibility for training there children “In the nurture and admonition of the Lord” (Ephesians 6:4) Although God has given our wives to be our “helpers” (Genesis 2:18) In fulfilling our responsibilities, we most still accept the ultimate responsibility for our raising our children. As such, we purpose to regularly evaluate each of our children’s educational programs and and modifying there learning plans in consultation with our wives. Even when , as is often the case, ore wives serve us by derectly supervising the carrying out of much of the educational program, we still accept this ultimate responsibility. Our wives’ and children’s roles are simply to carry out delegated tasks under our direction and protection.

The following educational plan applies to the following child(ren):
