January 18-19
Friday & Saturday

Jonathan Lindvall is a father of six children, school administrator, author, speaker, and songwriter. **Donald Telian** is a father of eight children, speaker, electronics engineer, and inventor. Together they will present The New Testament Church Seminar on Saturday January 19th. Jonathan will also be presenting The Bold Christian Youth Seminar, a distinct full day seminar, on Friday January 18th. The youth seminar is geared toward encouraging single youths, although whole families (including parents and younger children) will benefit and are welcome. The NT Church seminar is geared toward helping Christians develop a clear understanding of what the scripture teaches about the church and how this applies to our lives.
